

## Journal Entry- Nathaniel Russell House

*Nathaniel Russell played both sides of the American Revolution by giving money to the Patriots but then fleeing to London to save his business as a Loyalist. Now the war is over and he has returned to Charleston but his money and property have been taken by the authorities. The year is 1783 and you are Russell waiting on a ship in the Charleston harbor to learn your fate. Do you regret your decision? What will you do next? How will American independence help or harm you? What is your plan if you are let off the ship?*
